An Editor's Life Saved by Chamberlain's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expectorate something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state. Easter Exercises.

Library Hall was filled last night by an appreciative audience, which listened with pleasure to the Easter exercises of the Bisbee Sunday School.

The teachers had evidently worked hard to train the little ones, and the latter showed that they had been faithful in their practice and that their instructors' efforts had not been in vain.

Special attention was given Edna Orton when she so bravely took her sister's place, and thus proved herself, although so young, "A Little Helper." Following is the programme:

1-Opening chorus, "We Come with Song," choir and Sunday School.

2-Reading of Scriptures by Ida Norton.

3-"The Crucifixion," the choir.

4-Prayer, J. G. Pittard.

5-Exercise recitation and song, nine little girls led by Mrs. F. Harrington.

6-Recitative cantata, "The Gates Ajar," Mrs. Crouch and class.

7-Recitation, "Little Helpers," Edna Orton.

8-Recitation, "On Easter Morning," Emma Graham.

9-Exercise by eight boys, "Beautiful Flowers of Easter," led by Mrs. Harrington.

10-Recitation, "The Children's Offering," Vida Scrimsher.

11-Song, "Am I a Soldier of the Cross," Miss Lizzie Schmidt's class.

12-Motion, exercise and recitation, primary class, Miss M. E. Hill.

13-Recitation and song, "Your Mission," six little girls, Mrs. Harrington leading.

14-Motion song, the little tot's primary class, Miss M. E. Hill.

15-Chorus, "Hail ye the Conqueror," the choir.

16-Recitation, "The Prince of Life is Risen," Annie Hays.

17-Solo and chorus, "Glorious Day," Miss Harrington and choir.

18-Chorus, "Victory," by the choir.

Miss Eda Pritchard presided at the organ in all the exercises.

BURGLARY.

A Bold Robbery Committed in Broad Daylight.

At about the hour of 11 o'clock yesterday forenoon the residence of George Berk was broken into and burglarized by an individual who gives his name as James Cunningham.

Berk was at work at his regular occupation and during his wife's presence at church the house was unguarded. Upon her return she was immediately apprised of the burglary by a broken window, through which the unwelcome visitor had made his entry.

Investigation showed the absence of an overcoat, a guitar and a purse containing \$7.50. The police were immediately notified. A brief search disclosed the circumstance that the burglar had sold Alfred Paul, the tailor, an overcoat, and had disposed of the guitar to Kline, a Main street storekeeper.

The overcoat brought him \$5.00, the guitar \$1.00. On this evidence he was arrested, and the stolen purse was found in his possession. His pockets also contained four handkerchiefs, a pass book on the Detroit Copper Mining company, and money in silver and greenbacks to the sum of \$11.35. Although the culprit was possessed of a large and obvious jag, the evidence of his guilt is so overwhelming that an extended sojourn in the territorial health resort on the Colorado is among the possible events of Mr. Cunningham's future.

Destructive Fire.

At an early hour yesterday morning the residents of Naco were dismayed by the most destructive fire that has occurred during the thriving burg's short existence. The fire consumed the "rockwe" warehouse, and probably destroyed much of the valuable machinery and furniture contained in the building.

The first news of the fire rumored the loss as approximately \$50,000, but probably less than half that figure will cover the damage done. However, if the conflagration was so extensive as to ruin the entire amount of expensive mining machinery stored in and about the burned structure, the loss will be very great.

The fierceness of the blaze may be gauged by the fact that a box car on the adjacent railroad track was consumed. A teamster who had been sleeping in the building is reported as safe.

W. W. Mahew, Merton, Wis: "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds, croup, bronchitis, grippe, whooping cough, pneumonia and all throat and lung diseases. Its early use prevents consumption. Children always like it and mothers endorse it. G. A. Metcalf, the cattle man, returned to today after a visit to his ranch in the Huachuca.

Her Husband's Story

"My name is E. J. Sprong, and my address is 16 Bondman Block, Troy, N. Y. I want to tell how thankful I am that my wife's health has been restored to her. About a year ago she caught a dreadful cold, which settled in her bronchial tubes and lungs. She certainly had bronchitis, and I think consumption, too, and we despaired of her life. She had a tightness and soreness in the chest, and it was difficult for her to breathe. There were darting, sharp dull and heavy pains, with constant coughing and expectorating. Each day she was worse than the day before. I was advised to get Acker's English Remedy, and did so, but my wife only shook her head and said: 'Another dollar thrown away.' She took the Remedy, however, and said the effect was magical. In less than an hour there was a remarkable change. She got better at once, and in a short time she was entirely well and strong again. The cure was permanent and there has been no relapse. I don't know what Acker's English Remedy is made of, but I am sure it contains something that fortifies the system against future attacks. My wife is in better general health now than ever, and you can't imagine how happy she is for her recovery. She tells everybody about Acker's English Remedy, and so do I, for I believe it to be our duty to the public to help every sufferer who has throat and lung troubles. My neighbors say it is a sure specific for croup, and has saved the lives of hundreds of little ones around in this vicinity alone."

Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada, and in England, at 1s. 2d., ss. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest remedy for all throat and lung troubles.
